To Whom It May Concern:

Joshua Kirk created an enduring legacy of theatrical excellence in children's ministry during his nine years of service at Cherry Hills Community Church. As a church that hosts more than 6,000 attendees on Sunday mornings, including more than 1,000 children, his impact has been felt and will endure.

Joshua demonstrated a rare blend of creative passion, dogged determination and team- building skills as he led us into new frontiers utilizing drama and media to amplify our children's ministry.

With his unique ability to wrap a storyline around a tantalizing blend of dramatic vignettes, Joshua transported young viewers, and their extended families, into powerful learning experiences. His finely honed acting skills enhanced his impact from the stage, creating compelling examples for those he trained.

Joshua will be a tremendous resource and a positive influence for any educational institution, ministry or theatrical enterprise that embraces him.

I am very please to give Joshua my wholehearted personal recommendation.
